

The Alliance of Indiana Rural Water and the Indiana Rural Community Assistance Program

present

Utility Board Training

A 3-part series of trainings for water and wastewater board members, operators, town clerks and managers. Each session will be presented twice in your region. Choose the site nearest you:

SESSION ONE: Managerial Capacity

Southern:

Thursday **2/19/09 Batesville** Public Library, 131 N Walnut St

Monday **3/2/09 Oakland City** Fire Station, 314 N. Main St

Central:

Monday **3/2/09 Coal City**, Jefferson Baptist Church, Highway 157 & Main Street

Thursday **3/19/09 Kennard** Town Hall, 100 N Main St

Northern:

Saturday **4/11/09 *9-11am* Earl Park**, 100 5th St,

Thursday **4/16/09 Dunkirk**, West Jay Community Center 125 Hoover St

All Sessions will run from 6:30pm – 8:30pm local time

During the 3-part series, you will learn how to:

- Manage your system's financial and technical capacity.
- Make sure your meetings comply with Indiana law.
- Ensure your utility is reporting correctly to agencies.
- Balance a budget, set rates, and plan for expansions.

Participants will receive a FREE training manual and a certificate of completion for each session. Those who complete the entire series will receive an award certified by RCAP and Alliance.

For more information and to reserve your seat, contact **RCAP** at **800-382-9895** or **Alliance** at **888-937-4992**.

All sessions are FREE.
